

# Pigeon

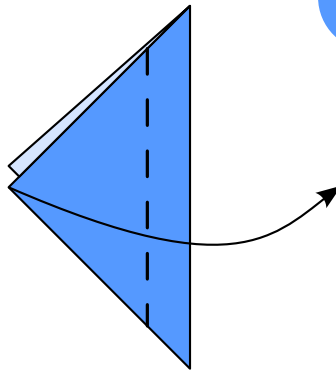

Traditional model

1

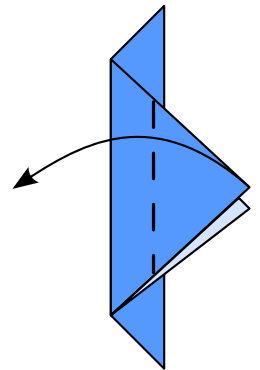

White side up. Fold in half.

2

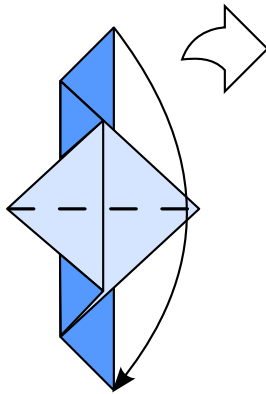

Fold both corners to the side, so the corners stick out

3

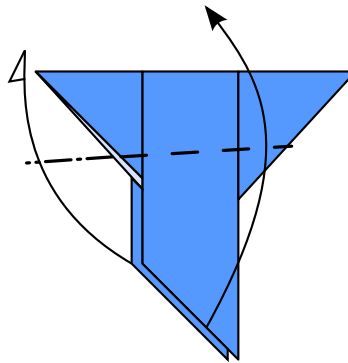

Now fold just the flap facing you to the side, as shown, so that the point sticks out on the other side.

4

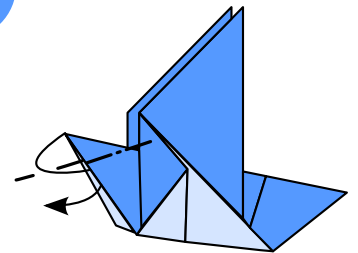

Fold in half, as shown.

5

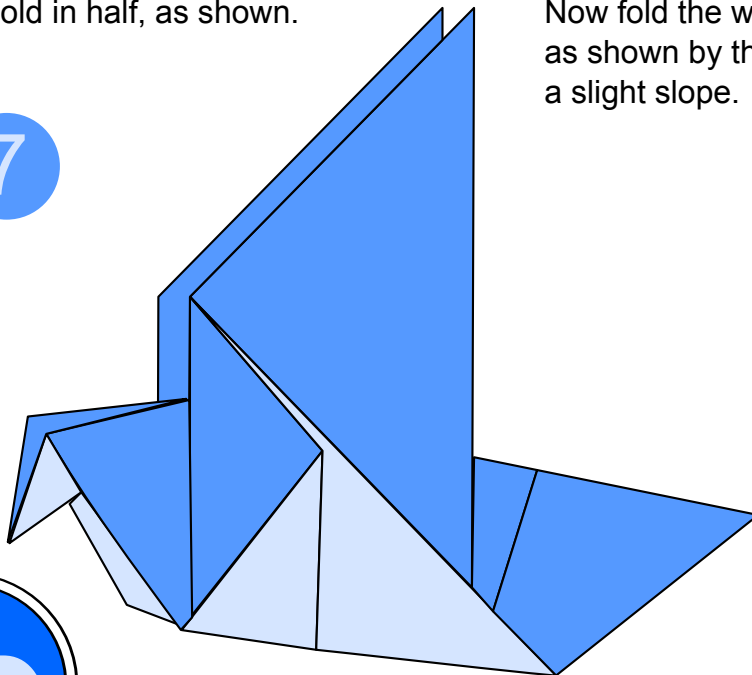

Now fold the wings up, as shown by the line on a slight slope.

6

To finish off, inside-reverse fold the top point, as shown to form the head.

7

FINISHED MODEL
